THE BIG FOOD COLLECTION

Food donations from our community provide emergency food parcels to thousands of Stockport residents every year.

We are immensely grateful for the regular donations from Schools, Businesses, Charities, Churches and scores of individuals, however, as more and more people are needing help from Stockport Foodbank the need is greater than it has ever been.

Can we ask you to join with **THE BIG FOOD COLLECTION?**

It's an opportunity for Schools and Churches to take up food collections, Businesses and Charities to encourage staff to bring in food donations – the list is endless!

If we can all get involved in **THE BIG FOOD COLLECTION, we'll be amazed how quickly the warehouse shelves will be replenished and the 7 Foodbank centres will be well stocked to help our Community in what is a period of heavy foodbank use.**

If you can bring your donations to our warehouse at Hazel Grove Baptist Church we'd love to meet you personally and say 'thank you'.

Will you be able to organise a food collection for us please and join in The Big Food Collection, this summer? Every collection really does make a massive difference at this time. Thank you.
